**CIRCULAR**

Sub: Correspondence to External Institutions – reg.

It is observed that scientists working in the institute/units of CSRTI are making correspondence about projects/research to external organizations/agencies without the notice of the undersigned. Hence, it is informed that the scientists should avoid making direct correspondence with external organizations/agencies about the ongoing projects/research/other activities of the institute and its units. Any correspondence to external organizations/agencies should be routed through PMCE Section only.

Violations if any, will be viewed seriously.
